- Prices are per rectangular cutout (not per panel), subject to the adders/deducts below.
- For two cutouts in the same panel, deduct \$2.00 from the total.
- When requested to perform cutouts at the customer's site, a set up charge of \$90.00 will apply within a radius of 10 miles from our office and \$1.00 for each mile thereafter.
- Pick up and delivery services are available at an extra charge.
- Work will be performed on a first-come, first-served basis.
- Call for quantities in excess of those listed above.
- Add \$5.00 each for interior panel rectangular cutouts.
- Add \$12.00 each for circular cutouts.
- Add \$2.00 each for all-steel, or \$20.00 for concrete filled panels.
- This is a guideline chart. Restrictive circumstances may affect price -- e.g., security access, special cutouts (including deep and/or narrow), odd-shapes, etc.
- Our standard hourly service rate is \$45.00/hr which will be added to the total bill if a delay is incurred not attributable to us.
